A student’s attendance is essential to learning. Every student and parent has the responsibility to ensure that the student is attending class regularly in order to take full advantage of the educational opportunities offered by GEO Prep. To support academic growth, the school has put in place the following attendance policies and procedures:

**Time Missed from School** – A student is considered to be absent – either for a full day, for being late to school (past 8:00 a.m.), or for leaving early – when time away from school occurs. Such
absences, tardies, or early release times may be considered excused or unexcused under the following conditions:

**Excused:** a student is considered to have an excused absence under the following conditions:

A parent calls the school’s attendance line, (225)927-1500, before 8:30 a.m. on the day of the absence to report the nature of the absence for the following reasons:

1. Death in the immediate family
2. Medical, dental, court, and/or other required appointments. Statement from the doctor, dentist, etc., required upon return to school
3. Personal illness or injury
4. Major religious holiday
5. Early releases also require a parent to come to the front office and sign the student out on the day of the release.

A student who is absent from school on a given day may not participate in any extracurricular activity on that day.

**Unexcused:** Any absence, lateness, or early release that does not meet the above conditions shall be considered unexcused.

**Consequences:**

a. After three (3) days of cumulative absence due to an illness (excused or unexcused), a doctor’s statement or other verification will be required upon the student’s return to school.

b. After five (5) days of cumulative absences (excused or unexcused), a conference between the student, the parent, and the principal will be required to assess the reasons for absences and the impact the absences are having on the student’s academic work.

c. After seven (7) days of cumulative absences (excused or unexcused), a certified letter will be sent to the parent/guardian indicating that additional absences could jeopardize the student’s enrollment at GEO Prep.

d. At ten (10) days of cumulative absence (excused or unexcused), the student will be considered a “habitual truant” and will be recommended for expulsion.

**MAKE-UP WORK:** If a student is to be out of school for an approved extended absence, it is his/her parent/guardian’s responsibility to make arrangements for assignments with the teacher. Written assignments will be gathered during the absence and provided to the student upon his/her return to school. Please be aware that up to 70% of the classroom activities consist of class participation, projects, discussion and practice that cannot be duplicated or made-up. In all absentee cases, class assignments must be completed within the time specified by the teacher to receive credit.

Parents are required to call the school office when they know that their child is going to be absent.

**BULLYING**

We insist on a professional, safe, and respectful environment at GEO Prep.
DEFINITION OF BULLYING (AS PROVIDED IN ACT 861 OF 2012): Bullying of any kind, towards students, teachers, staff, or others, will absolutely NOT be tolerated. Bullying can take many forms, including: slurs, rumors, jokes, innuendos, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or any other oral, written, or physical actions that make our school feel like an unsafe place. Bullying is prohibited within our building, on our buses, and to and from school events or field trips.) **Bullying is also prohibited on all student social media sites, including, but not limited to Facebook, Twitter, Tumblr, Instagram, or any other social media site. Students who engage in bullying on social media sites outside of school are still subject to all disciplinary policies, up to and including suspension and expulsion.**

**Each student will be required to sign the GEO Prep Academy Anti-Bullying pledge.**

**CAFETERIA**
All meals during the 2017-2018 school year will be served free of charge to all students. Chartwell Food Services will provide quality breakfast and lunch for our students. The menus will be distributed on a monthly basis and posted in the lunch area. Students may bring their lunch to school if they choose to do so. Students are asked to prepay for their meal plans with the cafeteria. If students are bringing lunch from home, it should be brought by the student that morning or prior to their assigned lunch time. Note: Food can’t be heated at school.

**CELL PHONE/ELECTRONIC DEVICES**
No student may use a cell phone/electronic device on school property during the hours of 6:30 AM-5:45 PM. During school hours cell phones/electronic devices must be turned off (not on vibrate mode) and stored out of sight. Using a cell phone/electronic device may include, but not be limited to, text messaging, taking pictures or watching videos, playing games, and listening to music. Students using or having cell phones/electronic devices visible during the school day shall have their cell phone/electronic device confiscated. School personnel and/or administration are not responsible for the loss or damage of any cell phone/electronic device brought onto school property. In cases where a cell phone/electronic device is lost or stolen, school personnel will not investigate. Confiscated devices will be returned only to a parent or guardian. Additional cell phone/electronic information is found under Discipline Philosophy.

**NOTE:** Classroom telephones are to be used only with teacher permission and under direct teacher supervision.

**CHANGE OF PERSONAL INFORMATION**
If a student changes his/her name, telephone number, or address, the parent must report the new information promptly to the attendance office. The telephone number is 225-927-1500.

**CHILD PROTECTION GUIDELINES**
1. All adult employees and volunteers must pass a national criminal background check, including all applicable sex-offender registries, prior to beginning work.

2. Adults who have been convicted of either sexual or physical abuse of children/youth and/or those who have a history of inappropriate conduct with children will not be employed and shall not volunteer service in any activity and/or program involving minors at GEO Prep.

3. Employees and volunteers who work with children and youth shall observe the "two-person rule" or the "open door policy" at ALL times. Any situation where one person is alone with a child or youth must be avoided.

4. Reporting Incidents: Reports shall be documented in writing with the date of the report, the time of the report, the telephone number and name of the recipient to whom the report was made,
name of person making the report, and a brief synopsis of the report. If at all possible, oral reporting will be recorded in the presence of a witness.

COMMUNICATING WITH THE SCHOOL
We believe that parents should be actively involved in the school. It is our intention to provide timely information in the areas of program, curriculum, special events, procedures, policies, etc. A school newsletter and communications with individual teachers will be the primary sources of school news. You are encouraged to contact us by:

- Emailing the teacher
- Writing a note. It is the student’s responsibility to share all parent notes with the teacher.
- Calling the school to leave a message for the teacher. All calls will be returned within a 24 hour period.

You can also find pertinent school information on our website at: [www.geoprepmc.org](http://www.geoprepmc.org)

DISCIPLINE PHILOSOPHY
Discipline is the demonstration of responsible behavior academically, socially, physically and ethically. Our goal is to establish an educational climate that is safe, secure and orderly. Discipline appears as a subject because it is the foundation of the educational structure. Students are expected to behave in a manner consistent with allowing the learning process to proceed efficiently. This means that students’ behaviors must show consideration for other students, faculty and staff. Behavior which inhibits the learning of others or negatively affects their safety will not be tolerated and will result in consequences appropriate to the offenses committed.

**HOMEWORK POLICY**

The business of your child’s education is a joint venture that involves school personnel, students, and parents. Each has a vital role. Homework promotes the development of self-discipline, good study habits, a sense of responsibility, mastery of skills, and comprehension of subject content. It is assigned on a regular basis and will vary according to the grade, subject, and instructional needs of the student. Providing a place and time for study and letting your child know your expectation regarding homework is one of the most important ways for parents to be involved in school.

GEO Prep students should expect a homework assignment to be given just about every night. Each student is required to carry a Student Planner. Homework is an essential part of the learning process and is part of the student’s daily responsibility.

**LOST AND FOUND**

All lost articles are turned in at the front office and students who have lost items of clothing, books, money, etc. should claim them there. Unclaimed items (including money) will be given to charitable organizations at the end of each semester. Parents are strongly urged to label all items of clothing, etc.

**MEDICATION POLICY**

1. As a general principle, medication shall not be given at school unless it is certified in writing by the attending physician or other licensed prescriber licensed in Louisiana and such medication cannot be administered before or after school hours. Antibiotics and other short-term medications, including non-prescription medication, shall not be given at school, except such medications may be given at schools with assigned full-time Registered Nurses.
2. Possible medication exceptions to the general principle:
   a. Behavior modification
   b. Insect sting allergy
   c. Anticonvulsant (e.g. Dilantin, Phenobarbital)
   d. Asthmatic conditions
   e. Insulin
3. Students shall not be allowed to have medications in their possession on the school grounds. Prescriptions are required for controlled substances and the possession of such prescriptions by a student at school, on the school bus, or other school function is prohibited except students shall be allowed to carry and possess auto-injectable epinephrine (e.g., Epipens) and asthma medication (e.g., inhalers) provided that:
   a. Written authorization/certification from the licensed medical physician or other authorized prescriber and from the student’s parent or guardian are on file and communication with the prescriber has been established.
   b. The school nurse has evaluated the situation and deemed it to be safe and appropriate; has documented this on the student’s cumulative health record; and has developed a plan for general supervision. The plan may include observation of the procedure, student health counseling, and health instruction regarding the principles of self-care.
c. The principal and appropriate staff are informed that the student is self-administering the prescribed medication.
d. The medication is handled in a safe, appropriate manner.
e. Such medication is transported to the school and maintained under the student’s control in accordance with the school policy.
f. The Board of Education’s policy on self-medication by students and the school Drug Free Zone policy permits.
g. The school principal and the school-employed registered nurse determine a safe place for storing the medication for the individual student. The medication must be accessible if the student’s health needs require it; this information is included in the medication administration plan.
h. Some medication should have a backup supply readily available (such as an inhaler).
i. The school records the medication administration and reports unusual circumstances.
j. The school-employed registered nurse, and/or the designated employee monitors the student.
   (1) Self-administration is included in the medication administration plan.
   (2) The plan includes any or all of the following: teaching correct administration; reminding the student to take the medication; visual observation of the student taking the medication; recording the procedure; and notifying the RN, parent, or prescriber of any side effects, unusual occurrences, or noncompliance.
4. Prior to the administering of other medications during school hours, the following will be required.
   a. An order from a licensed medical physician or other authorized prescriber and parental consent. (Forms are available at each school).
   b. Medication must be brought to the school by the parent or guardian.
   c. The medication container shall contain clear instructions identifying the student’s name, prescription numbers, if any, date, frequency, name of the medication, dosage, route, and physician’s or other Louisiana-licensed prescriber’s name.
   d. At the beginning of each school year and anytime there is a change in medication, a new form from the physician or other licensed prescriber licensed in Louisiana must accompany the new prescription.
   e. No more than one month’s supply (twenty-five school days) of the medication shall be kept at school.
5. This policy is in compliance with La. R.S. 17:436.1 and the Joint Policy of LSBN (Louisiana State Board of Nursing) and SBESE (State Board of Elementary and Secondary Education), La. Admin. Code, Title 28, Part CXV, Section 1129, Bulletin 741, Louisiana Handbook for School Administrators.

COMMUNICABLE DISEASE CONTROL POLICY

Current and satisfactory evidence of immunization (e.g., immunization records) is required for all students entering school for the first time (including kindergarten), for students transferring from another school system, and for all students entering the sixth grade. Such evidence shall be in compliance with the immunization schedules established by the Louisiana Legislature in La. R.S. 17:170 and 17:170.4, unless compliance is waived pursuant to statute. School personnel shall cooperate with public health personnel in completing and coordinating all immunization data, waivers and exclusions, including the
forms required by the Louisiana Department of Health and Hospitals to facilitate control of preventable communicable diseases.

In the event of an outbreak of a vaccine-preventable disease at school system facility, the EBRPSS administration may, upon the recommendation of the office of public health, exclude from attendance unimmunized students until the appropriate disease incubation period has expired or the unimmunized student presents evidence of immunization. If the student's physical condition indicates that the health of the student does not safely allow his/her continued attendance at school, the student will remain away from school until the student's physician and/or a physician of the Board's choice verifies that the student can safely return to the regular school environment.

Infected students shall inform appropriate school officials of the infection so that proper precautions for the protection of the other students, employees, and the infected student can be taken. If the student's physician's and/or a physician of the Board's choice's statement indicates that the health of the student does not allow his continued attendance in the regular education program, education services will be provided in a setting that is appropriate to the health status of the child. The identity of an infected individual or an individual who there is reasonable cause to believe is an infected individual, shall be revealed only to those who have a need to know. They also shall be informed of public health precautions which should be taken. Persons informed of the identity of an infected person shall not disclose such information to others except as authorized under this policy.

**PARENT RIGHTS TO STUDENT RECORDS**
Parents have the right so see all records that pertain to their individual student (under the age of 18). If you desire to view your child’s records, contact the Principal. Student records may not leave the office area. You will be given a private area to view the records. By law, student records must be kept confidential and viewed only by school personnel dealing with the child directly. No information can be shared publicly in any way without expressed written permission of the parent or guardian.

Please contact the Principal concerning any problems with custodial and non-custodial parents that would affect our school.

2. **Special Education** - Parents of students identified with disabilities have certain legal rights. Please contact the office for a copy of those rights and educational safeguards.

**PARENT-TEACHER CONFERENCES**
Achieving maximum progress for your child necessitates a close line of communication and understanding between teacher and parent. Parent-teacher conferences are the best means of accomplishing this goal. The teacher or the parent can initiate such a conference by calling for an appointment. Conferences can be held in person or by phone. The dates for regularly scheduled conferences are noted on the school calendar. Parents are required to attend each of the four scheduled parent conferences throughout the year.

If, as a parent, you have a concern about something that has happened at school, or if you feel there is some kind of situation that is causing your child to perform below par, please contact the proper person at school. Please contact the child’s teacher first. If the problem is not resolved, then contact the Principal. We welcome the opportunity to talk with you about any of your concerns.

**PARENT TEACHER ORGANIZATION – (PTO)**
All parents, foster parents, guardians, and teachers are encouraged to take an active part in school activities. One way to do so is to join the PTO and attend its meetings and special programs. Meetings will be scheduled regularly throughout the year, and programs are planned to offer entertainment, enlightenment, fundraising experiences and a chance for parents to get to know the school personnel and other parents and to provide volunteer service to the school.

**PARENT VISITATION & PARTICIPATION**
We will maintain an open-door policy for parents, who may come into the school at any time after gaining office clearance- and enter any classroom for observation as long as there is no disruption. Please check in at the front office to be issued a visitor badge and to sign in. Visitors/Parents will be issued a Visitors badge upon presentation of a valid picture ID. Visitors/Parents must sign out upon leaving the building. Parents who would like to conference with their child’s teacher should make a scheduled appointment. Families, community organizations, businesses, and other groups are encouraged to apply to volunteer at GEO Prep Academy. Background checks must be completed for any volunteer to work with students in our school at any time. The Louisiana Code requires that a limited criminal history check be on file in the school office for each volunteer, each year.
**SCHOOL BOARD**
School Board meetings will be announced and parents/guardians are encouraged to attend whenever possible.

**SUSPICION OF ABUSE REPORTING POLICY**
Louisiana Law requires a person to immediately report suspected and reported child abuse to the authorities and in organizations such as GEO Prep Academy, to the appropriate individual in charge. A person who fails to do so can be prosecuted for a Class B misdemeanor or, in extreme circumstances, may be subject to civil liability for money damages. All employees and volunteers at GEO Prep Academy must adhere to the following procedures:

In the event of suspected, reported or discovered child abuse or violation of the Child Protection Guidelines of the GEO Prep Charter School, the employee or volunteer shall immediately notify the principal. In the event of suspected, reported or discovered child abuse or neglect, the principal will also immediately make a report to the local child protection service or law enforcement agency.

Primary Contact: Sandra Douglas, Principal
                          ................................................................. 225-236-9333

At the beginning of each school administrative year, all employees and volunteers working with minor children will receive training regarding the signs of child abuse, including child sexual abuse, and will receive instruction regarding reporting procedures for any and all suspected child abuse.

**STUDENT DELIVERIES**
Balloons, flowers, lunch, anything associated with birthdays etc. cannot be delivered during the school day. Lunch money, projects, etc., may be left with the receptionist for students to retrieve.

**SUMMER SCHOOL**
If funds are available, a summer remediation program will be provided during the month of June for all students needing additional support if funding is available. The school will adhere to state mandates for remediation programs for tested grades.

**TECHNOLOGY USE POLICY**
Use of technology is essential to the curriculum and learning at Geo Prep Academy. Students will participate in a variety of lessons and activities using computers, printers, scanners, and other digital equipment. Students will receive training to use technology at school and home. Students are expected to follow and agree to the “Acceptable Use Policy” signed by all students and parents upon acceptance of enrollment. Appropriate use of technology is outlined below.

1. **Acceptable Use Policy** - Regardless of the circumstance, each student is expected to be responsible and honest, use common sense, and practice proper etiquette at all times. Millions of dollars have been invested in hardware and software in schools to prepare students for today and tomorrow’s world. It is important that students help protect the investment. In order to comply, the following rules are in effect:
   a. It is a federal crime to unlawfully copy software; any student attempting to copy the school’s software and/or multi-media materials will be referred to the school’s administration and law enforcement for disciplinary consequences according to the student handbook for vandalism.
   b. Tampering with or vandalizing any part of the hardware or software will result in disciplinary consequences according to the student handbook for vandalism.
c. Using any commands on the computer that could alter the operations of any part of the computer system, including the default settings, will result in disciplinary consequences according to the student handbook for vandalism.
d. The downloading of programs from any source is strictly prohibited. Failure to comply will be treated as vandalism.
e. Use of computers outside of class period and after school is at the discretion of the teacher. No student is to use computers without an authorized faculty or staff member or parent (at home) present. Failure to comply will be treated as vandalism.
f. Students are not allowed to take computers out of the school without teacher approval. Failure to comply will be treated as theft.

2. Consequences for misuse -
   a. First Offense: Changing computer configuration, deliberately accessing another student’s account, deliberately harming any of the equipment, or surfing the web without an educational assignment will result in the parent being called and student losing all computer privileges for a specified period of time outside of the usage necessary for the basic curriculum.
   b. Repeat offenders and/or students who deliberately access pornographic materials from the Internet will lose all computer privileges and will be processed through expulsion procedures. Student will be immediately suspended out of school for any such infraction.

**UNIFORM POLICY**
The dress code policy at GEO Prep Academy is essential for learning by removing unnecessary distractions. *Each family that accepts enrollment in the school also accepts the dress code as mandatory.* If there is a change in dress code for a field trip or special event, parents will be notified of the change prior to the day of the event. Otherwise, the dress code must be followed at all times.

We rely on our parents to help reinforce our uniform policy. The following guidelines for our uniform policy will be strictly enforced beginning the first day of school. Our uniform attire may be purchased from “Uniform Mart” on Airline Hwy.

**TOPS:**
- Elementary grades, K-5: School uniforms must be a red collared shirt with the school’s logo and a pair of navy blue pants or a navy blue skirt or jumper. Spirit shirts may be worn on Friday’s by scholars who exhibit good behavior during the school week.

**BOTTOMS:**
- All students must wear Navy pants/slacks, with no embellishments/designs (No jean material will be allowed)
  - No shoes or tennis shoes with flashing lights are allowed.
- Socks must be solid BLACK or WHITE, with no color combinations allowed
- Males must wear a black or brown belt
- Girls if they so choose must wear a black or brown belt
  - Shoes must be closed toe and either with a back or strap. (No sandals or flip flops)

**SCHOOL BUSES**

*School Buses are an extension of the school.*
GEO PREP MID-CITY DOES NOT ALLOW LOITERING AT THE BUS LOADING ZONE IN THE MORNINGS OR AFTERNOON. THIS ACTION WILL RESULT IN AN AUTOMATIC BEHAVIOR CLINIC.

Behavior on the school bus must conform to the standards set by the driver and the GEO Foundation. A student whose behavior creates a problem for the driver and other students and is reported to the office will be subject to temporary suspension of riding privileges for a period ranging from THREE DAYS to ONE SCHOOL YEAR. Continued disruption may result in an indefinite suspension/expulsion of riding privileges.

FIGHTING ON THE BUS WILL RESULT IN SUSPENSION FROM SCHOOL AND POSSIBLE EXPULSION FROM BUS PRIVILEGES FOR THE SCHOOL YEAR.

In the event a bus breaks down before picking up students in the morning, students are to remain at their bus stop (or home in case of bad weather) until another bus picks them up for school. It is the goal of GEO Prep Mid-City’s Administrative Team to ensure that all students will be picked up each day.

Regular bus riders must bring a note signed by the parent to the office on days that they are being picked up by a parent or a parent’s designee. Bus riders are not allowed to walk home.

Students who are walkers or bike riders must have a written note from their parent(s) stating they are allowed to walk/ride to and from school. This note will be kept on file at the school.

PLEASE NOTE AND REGARD THE FOLLOWING STATEMENT:
Permission WILL NOT be granted for student to ride any bus other than the one to which they have been assigned except where extenuating circumstances exist. In such cases prior (two days in advance) approval by the principal is required. “Going home with a friend”, even for schoolwork, is not an extenuating circumstance.
